EUDOLYA EVENTS. THE PLEASURE OF MEETINGS.

Throughout the year, Eudolya proposes an exclusive calendar of events dedicated solely to its network of members. The objective of these meetings is to create an elite community, an exchange of business opportunities.

Art exhibits, golf tournaments, social dinners, unforgettable appointments which become the perfectly coordinated setting for meeting people and sharing interests and passions, the occasion which may lead to profitable projects, and opportunities supported and guided by Eudolya for the exchange of truly useful information.
